

TRINITY SUNDAY CONCERT & PRAYER
~ THE PRESENCE OF GOD ~

"Surrender your own poverty and acknowledge your nothingness to the Lord. Whether you understand it or not, God loves you, is present in you, lives in you, dwells in you, calls you, saves you and offers you an understanding and compassion which are like nothing you have ever found in a book or heard in a sermon." The Ways of God

Your heavens move with light and fire; the sky the wonder of your hands.

Day after day we hear your voice; night after night you call our name.

You bring no speech; you speak no words, but still, you music fills our world.

From east to west your notes float out, and every corner sings your song.

Your presence is our hope and home, a haven for our tear-filled dreams.

You never tire; you never sleep; with your return we find release.

Your beauty gives shape to the sun; your face perfection for our eyes.

You stirrings help make all things clear; your wisdom guides the simplest soul.

Your ways are right; your heart is pure; your distance clear, cleansing our sight.

What you require of us is just. You are the healing touch of truth.

Your wealth is finer than all gold - sweeter than honey from the comb.

Whoever serves you is inspired; whoever follows finds reward.

So may the words that we proclaim, the meditation of our hearts,

Be pleasing to your honored name: our rock, our safety, and our peace.

*As Water to the Thirsty...as beauty to the eyes...
as strength that follows weakness, as truth instead of lies...
as song-time and spring-time and summer-time to be,
So is my Lord, my living Lord, so is my Lord to me.
Like calm in place of clamor...like peace that follows pain...
Like meeting after parting...like sunshine after rain...
Like moonlight and starlight and sunlight in the sea-
So is my Lord, my living Lord, so is my Lord to me.
As sleep that follows fever...as gold instead of grey..
As freedom after bondage...as sunrise to the day...
As home to the traveller and all we long to see-
So is my Lord, my living Lord, so is my Lord to me.*

*You Are The Presence - Breath of all passion and fire-
Filling the earth splashing the heavens with light
Wind and the ocean, maker of earth and the skies
Color and sound seeking and singing the song!*

*You are the healing, hope for all people in fear
Comfort and peace, tenderness is your embrace
Word and the silence, strength to the broken and weak,
Laughter from tears promise of life from death*

*You are the thunder, power and voice of the just,
Holy and strong, fountain of wonder and light,
Father and mother, lover and dreamer for all
Joy of our lives, returning, renewing the earth.*
